## 2014-15 DCYF Programs Report

This report was produced to inform you of programs supporting your students that were funded by the San Francisco Department of Children, Youth, and Their Families (DCYF) or had an MOU with SFUSD. Data was provided by DCYF and SFUSD, and covers Fiscal Year 2014-15 (July 1, 2014 through June 30, 2015). DCYF data was self-reported by programs receiving grants from DCYF. Counts of youth served are unduplicated in demographic tables and unduplicated by area in focus area tables. However, a student may attend programs in multiple focus areas. For more information about DCYF funded programs please contact DCYF Data and Evaluation Manager Sarah Duffy: [sarah.duffy@dcyf.org](mailto:sarah.duffy@dcyf.org).

### Focus Areas of DCYF Programs

- **Health and Wellness** centers provide health, mental health, substance abuse counseling, and referrals. Onsite experts in adolescent health help teens gain the skills they need to cope with stress, trauma, suicide, bullying, depression, self-esteem, drug and alcohol abuse, sexual health, and relationships.
- **Specialized Teen** programs provide structured activities and experiences that help teens obtain social, emotional, ethical, physical, and cognitive competencies. Programs may focus on a particular population such as new immigrants or topics such as creative writing.
- **Violence Prevention & Intervention** programs provide services for system involved youth and youth engaged in high-risk behavior. Programs focus on preventing behavior that can lead to arrest, supporting youth after arrest, and providing reentry/transition and aftercare services for system involved youth.
- **Youth Workforce Development** programs provide early work experience and help prepare youth for educational and career success. Programs provide career awareness, job coaching, job search help, and job placements.
