

Summer Together

The San Francisco village supporting our children, youth & families.

May 2021

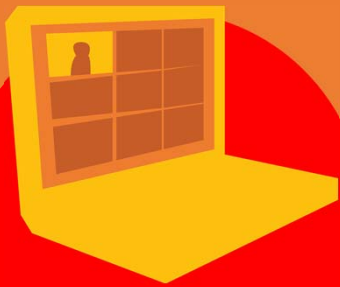

Free summer learning programs for our youth

The Summer Together Initiative is a coalition of community organizations, nonprofits, businesses, and city departments partnering to offer free in-person and virtual learning experiences for SFUSD students this summer.

A year of loss

The pandemic has devastated the physical, mental, & economic health of our communities. Our children & youth are no exceptions.

SFUSD students have struggled to stay connected to their education, missing classes & assignments at high rates

Young people have been isolated from their peers at a time critical for their social & emotional development

Children of all ages are experiencing severe mental health issues as a result of the pandemic

Exacerbated pre-existing inequities have magnified these issues for our Black, Latinx, Pacific Islander, low income, & English Language Learner children & youth

A summer of recovery

We're focusing on continuity of learning, supplementing traditional summer programming with:

- Curriculum to combat learning loss
- Project-based enrichment and physical activities
- High school credit recovery & college/career prep
- Ethnic studies
- Comprehensive wellness support for young people & their families

Priority Families:

- Residents of public housing, RVs and SROs
- Families that are experiencing homelessness
- Children and youth in the foster care system
- English language learners
- Low-income families, with a focus on historically impacted communities, including people who identify as African American, Latino/a/x, Native American, Pacific Islander, and/or Asian
- Children and youth with disabilities

Independent Learning - 50,000 students

All SFUSD students will be eligible for up to ten summer reading books, distributed by the **San Francisco Public Library**.

Academic In-Person Learning - ~17,000 Students

Hosted at school buildings, community centers & private commercial spaces facilitated by **DCYF's** community-based organizations & **SFUSD's** summer education program.

In-Person Summer Camp - ~3,000 Students

Scholarships will be provided for students to attend summer camp with the **SF Recreation & Parks Department**, DCYF-funded **community-based organizations**, & **private camps**.

Virtual Learning Opportunities - ~2,000 students

Online programming opportunities from **community-based organizations** and **San Francisco Public Library**

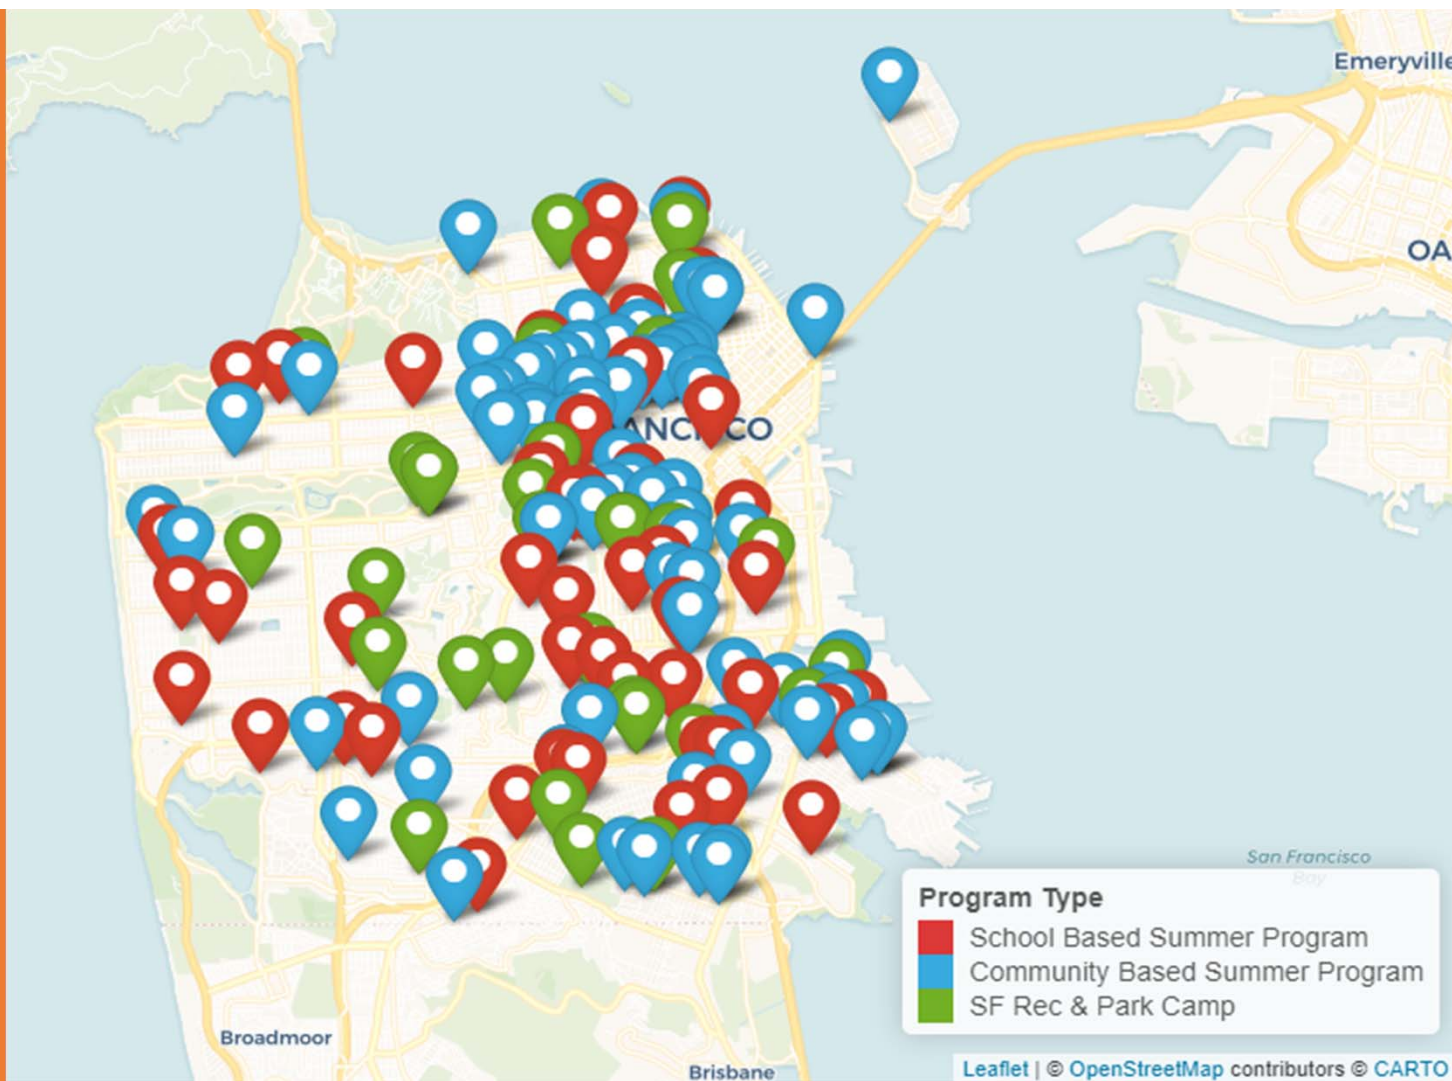

We're all in

- **68** DCYF-funded CBOs
- **31** Rec & Park centers
- **77** SFUSD school sites
- **27** private summer camps
- **4,000** learning experts, youth development professionals and support staff
- **500,000** Summer reading books curated by SFPL for every student
- **6,750,000** hours of smiles and fun
