

VPI and YWD-HR Outcomes for Youth

Introduction

As an essential step in the evaluation of the San Francisco Violence Prevention and Intervention Initiative (SF VPI) and Youth Workforce Development (YWD-HR) programs, Mission Analytics Group has identified a series of outcomes that can be examined with data we have or plan to have by the final evaluation report. In the table below, each color corresponds to a different set of data sources.

Table 1: Outcomes and Data Sources

Outcome	Data Source
Conflict Resolution	Youth Survey
Connection to Community	Youth Survey
Knowledge of Postsecondary Options	Youth Survey
Personal Relationships (Adults)	Youth Survey
Personal Relationships (Peers)	Youth Survey
Reconnection to School	Youth Survey
Self Confidence	Youth Survey
School Attendance	SFUSD
Academic Progress	SFUSD
GPA	SFUSD
GED Program Attendance	Program reporting and CMS Activity Data
GED Progress	Program reporting and CMS Activity Data
GED Completion	Program reporting and CMS Activity Data
Functioning and well-being	DPH Data
Access to Services	CMS Referral and Activity Data
Safe Place to Stay	CMS Referral and Activity Data
Adherence to terms of probation	JJIS Data
Probation Completed	JJIS Data
Court Hearing Attendance	JJIS Data
Payment of court-ordered restitution	JJIS Data
Community Service Completed	JJIS Data
Severity of offense	JJIS Data
